To everything there is a season, and
a time for every purpose under Heaven:

a time to be born, and a time to die;
a time to plant, and a time to pluck up that which is planted;
a time to kill, and a time to heal;
a time to break down, and a time to build up;
a time to weep, and a time to laugh;

a time to mourn, and a time to dance;
a time to cast away stones, and a time
to gather stones together;
a time to embrace, and a time to refrain from embracing;
a time to seek, and a time to lose;
a time to keep, and a time to cast away;
a time to rend, and a time to sew;
a time to keep silence, and a time to speak;
a time to love, and a time to hate;
a time for war, and a time for peace.

A Time For
Self-Expression.

a time to dance, and a time to sing;

To brisk notes in cadence
beating. Glance their many
twinkling feet —Gray

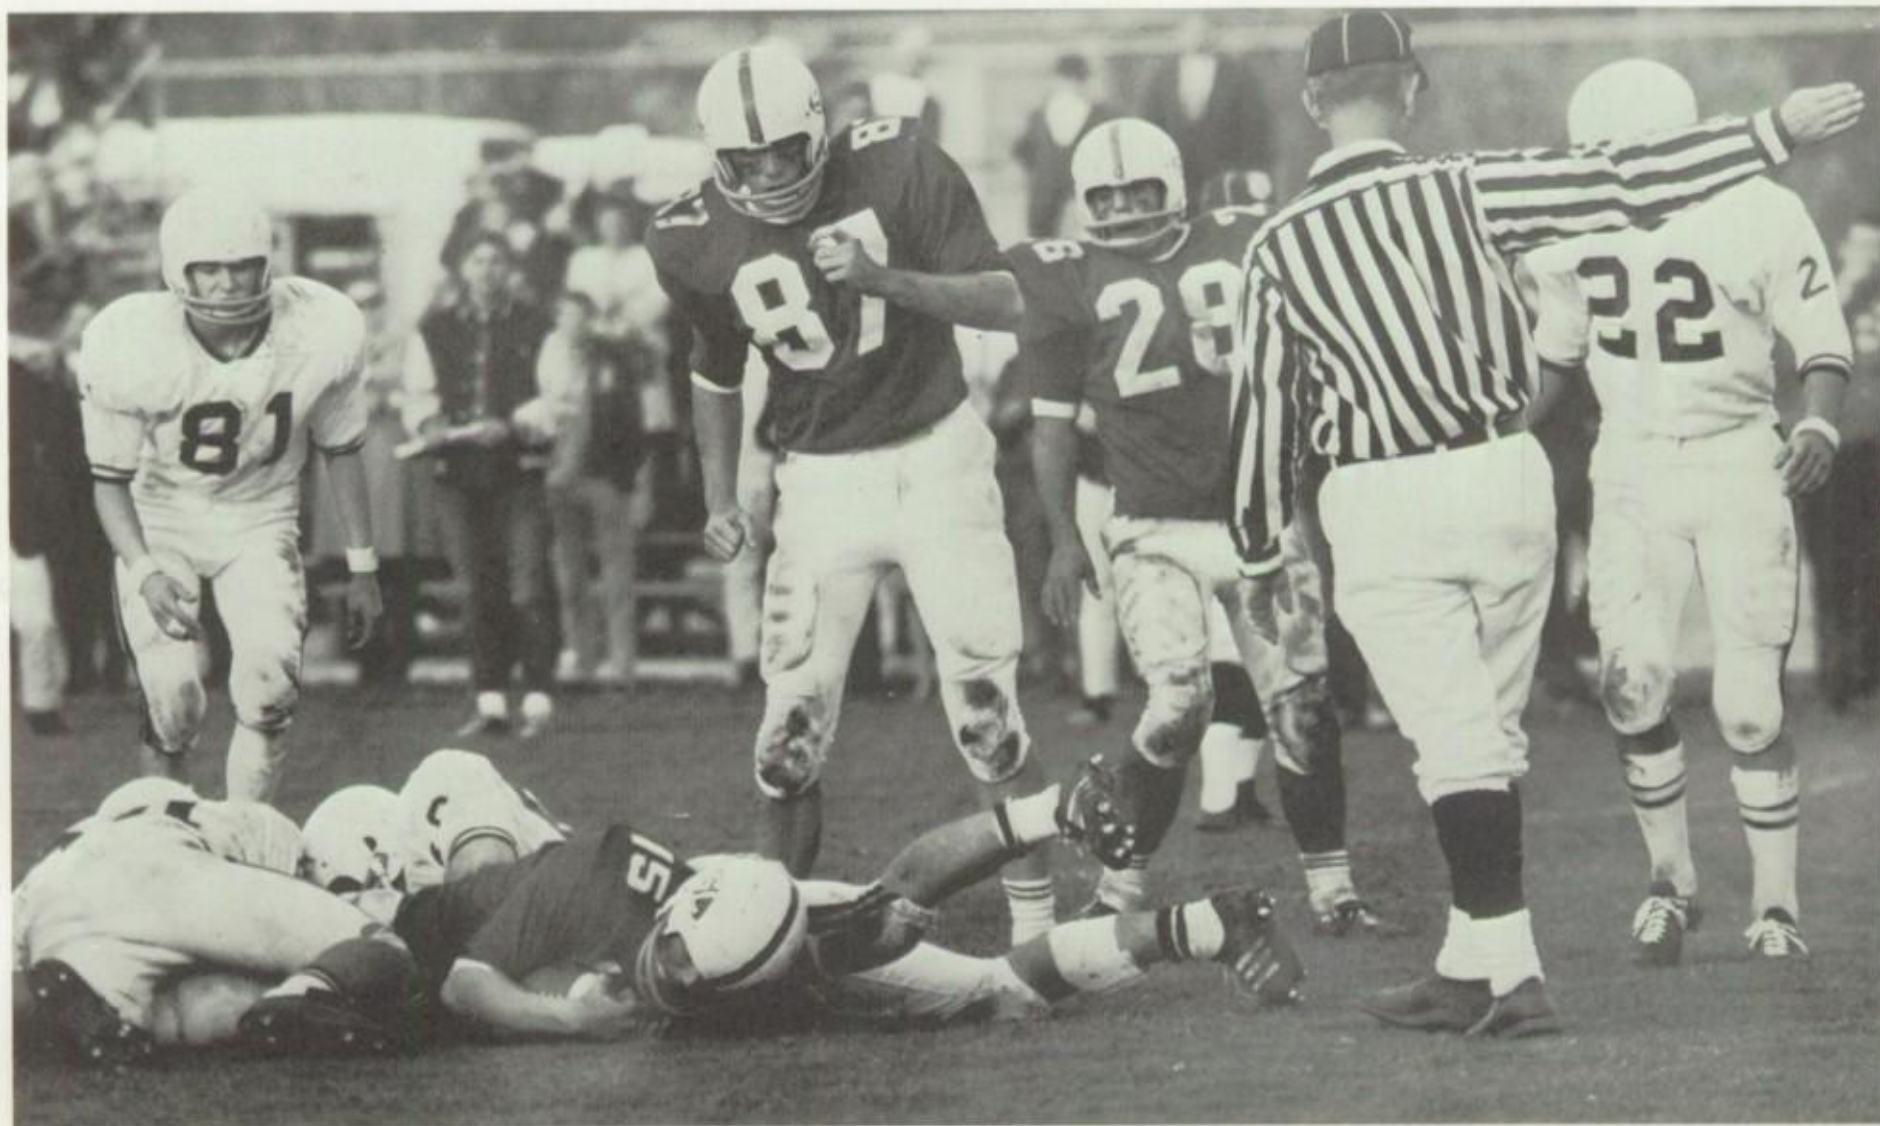

God sent his singers upon the earth
 With songs of sadness and of mirth,
 That they might touch the hearts
 of men,
 And bring them back to heaven
 again.

— Longfellow

A Time to Compete.

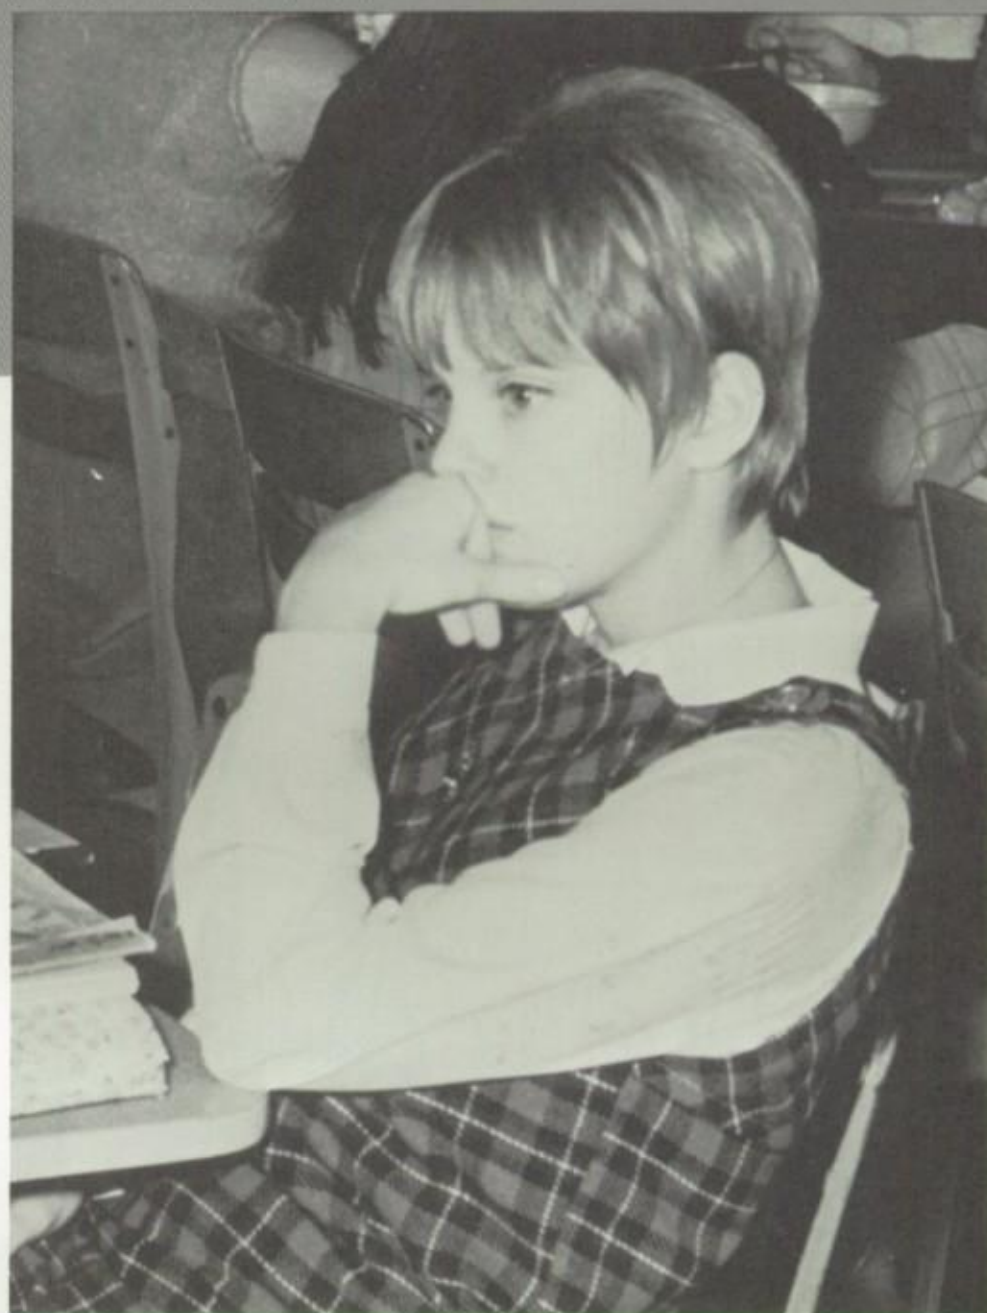

a time to be alone,
and a time to share;

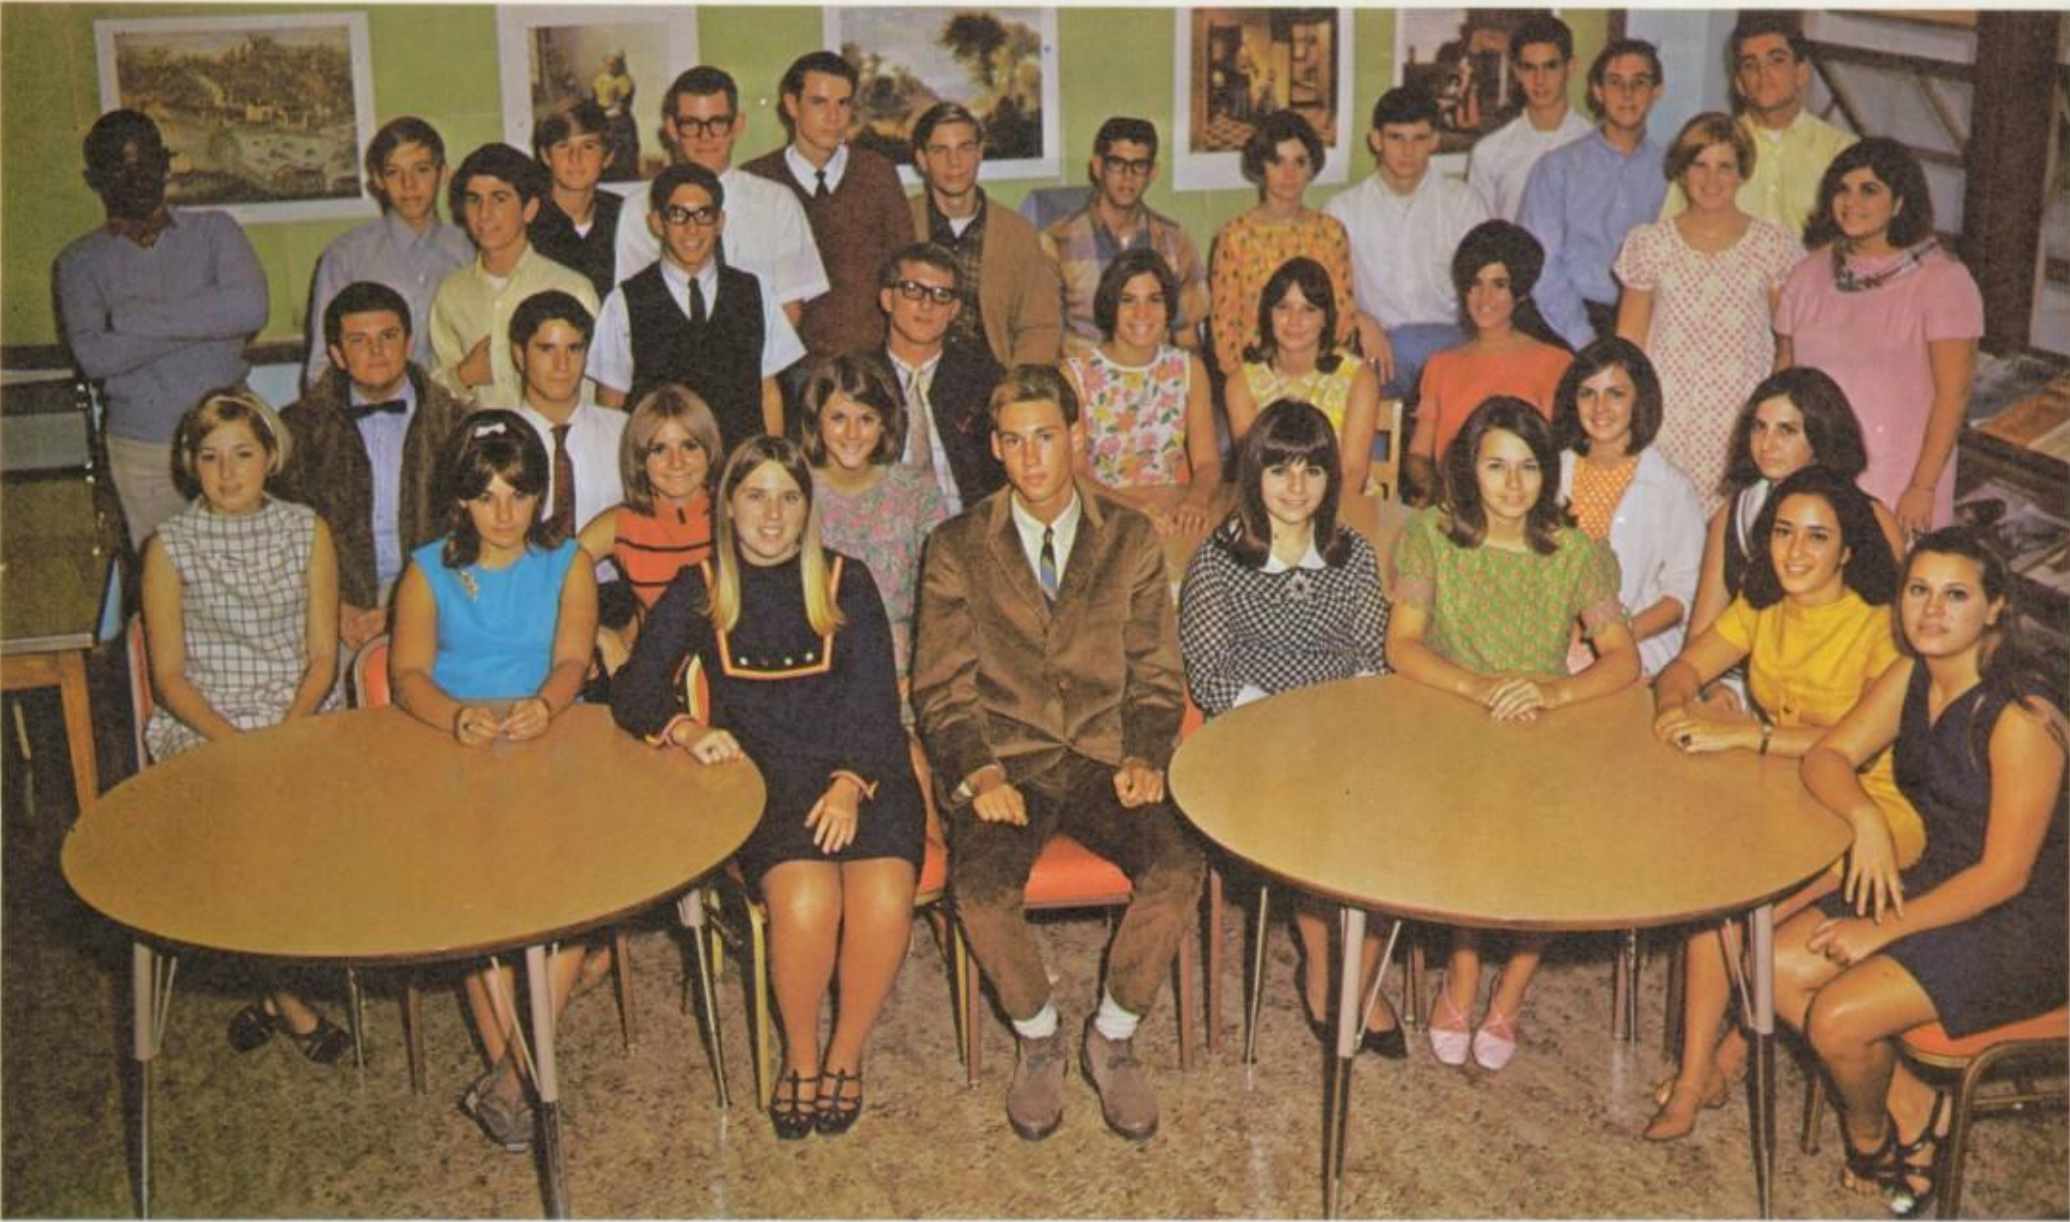

He is never alone that is accom-
panied with noble thoughts — John
Fletcher

A Time To Be Happy;
And A Time To Be Sad.

As the sun colours flowers
so does art colour life —
Sir John Lubbock

Dedication

The ANCHORS AWEIGH staff feels that Mrs. Violet McLaren, because of her great devotion and long service to San Leandro High, merits the highest honor we can bestow, and so we dedicate this, the 1968 yearbook, to her.

Raised in Watsonville, Mrs. McLaren graduated from U.C. Berkeley with a B.A. in Zoology in 1929, and received her Master's the following year. She began her teaching career in Pasadena, then moved to Sunnyvale, and entered the San Leandro district in 1945, while it was still part of the Oakland school system.

Mrs. McLaren taught biology and physiology until 1958 when she transferred to counseling. She is now devoting all her time to the five year Follow-Up Studies of the 1964 and 1965 classes of San Leandro and Pacific High Schools. The program involves some 1,500 students, and is aimed at determining the influences of the high school years on these students.

Mrs. McLaren has had many exciting moments while "tracking down" students who are participating in the Follow-Up Study. She has traveled all over California looking for recalcitrant students in order to obtain 99 per cent participation in the study. This zeal in locating the reluctant ones is small proof of the kind of service she has given to the District over the years. The ANCHORS AWEIGH staff is proud to be able to contribute to her distinguished record.

Counselors and Sponsors Give Guidance, Advice, and Sometimes Just an Open Ear

Mr. Hudgens, head counselor this year, helped students prepare either for college preparatory or for business education.

The counselors for the Senior Class were Mrs. Hood and Mr. Hudgens. They followed the courses and activities of their students for the past three years, giving guidance, advice, and sometimes just an open ear. There were also five teachers who devoted much energy to the class of '68 by taking on the job of Senior Class sponsors. They were Mr. Cardella, Mr. Marquardt, Miss Tipton, Miss Minnes, and Mr. Jocz. They helped the class by attending all board meetings and money-making projects. The Senior Class of 1968 was very grateful for their help and understanding.

Mrs. Hood's duties for three years has been to counsel students whose names fall in the latter part of the alphabet.

Mr. Marquardt, Mr. Jocz, Mr. Cardella, Miss Minnes, and Miss Tipton were the sponsors of the Senior Class.

Mr. Cardella thinks over a proposal at the class board meeting.

Pirates Place Third in ACAL, While

Coach Shorum Keeps Pirates

Tom Barentson intercepts a pass in the Pacific game. The Vikings are unable to lay a hand on him.

Ken Costa, with glue on his hands, leaps in the air to complete a pass for a Pirate first down.

Ken Costa tries to figure out what went wrong with the last play, while the other Pirates return to the huddle.

Going Strong Throughout Tough League Play

Pirates gang up on poor Berkeley ball carrier.

The Pirates finished the '67 season third in A.C.A.L. standings with a 6-2 record. The final game was against first place Alameda and was for third or co-championship. The game, a battle to the last second, ended with the score 20-25. The game was doubly disappointing to the fans and team for the Pirates led at the end of the third quarter 20-19, the first time Alameda was behind this season. Six varsity players were named for All League first or second teams. Making first team offense were seniors Tom Barentson, guard; Tim Stokes, end; and Mike Talbot, tackle; and junior George Ondeck, fullback. On defense were seniors Barentson, linebacker; and Talbot, tackle; and juniors Don Ferguson, safety; and Ondeck, end. Stokes, tackle; and Gary Millhouse, safety, made second team defense. Talbot and Barentson also made the All East Bay team, and Ondeck was seventh in Bay Area rushing with over 870 yards to his credit. Team Lineman of the Year was Mike Talbot; back was George Ondeck; and Sportsman was Ken Costa. Barentson was also voted into the Scholastic Hall of Fame for Northern California and the Outstanding Football Player of the Year. Head Coach Ben Shorum was assisted by Biff Crawley and Bob Hidalgo, who coached the defensive line.

Craig Kitchen gets trapped into a standoff with a Berkeley lineman. It looks as though Craig will win.

Bucs Hoped For ACAL Championship But Were Edged Out By Hornets and Oilers.

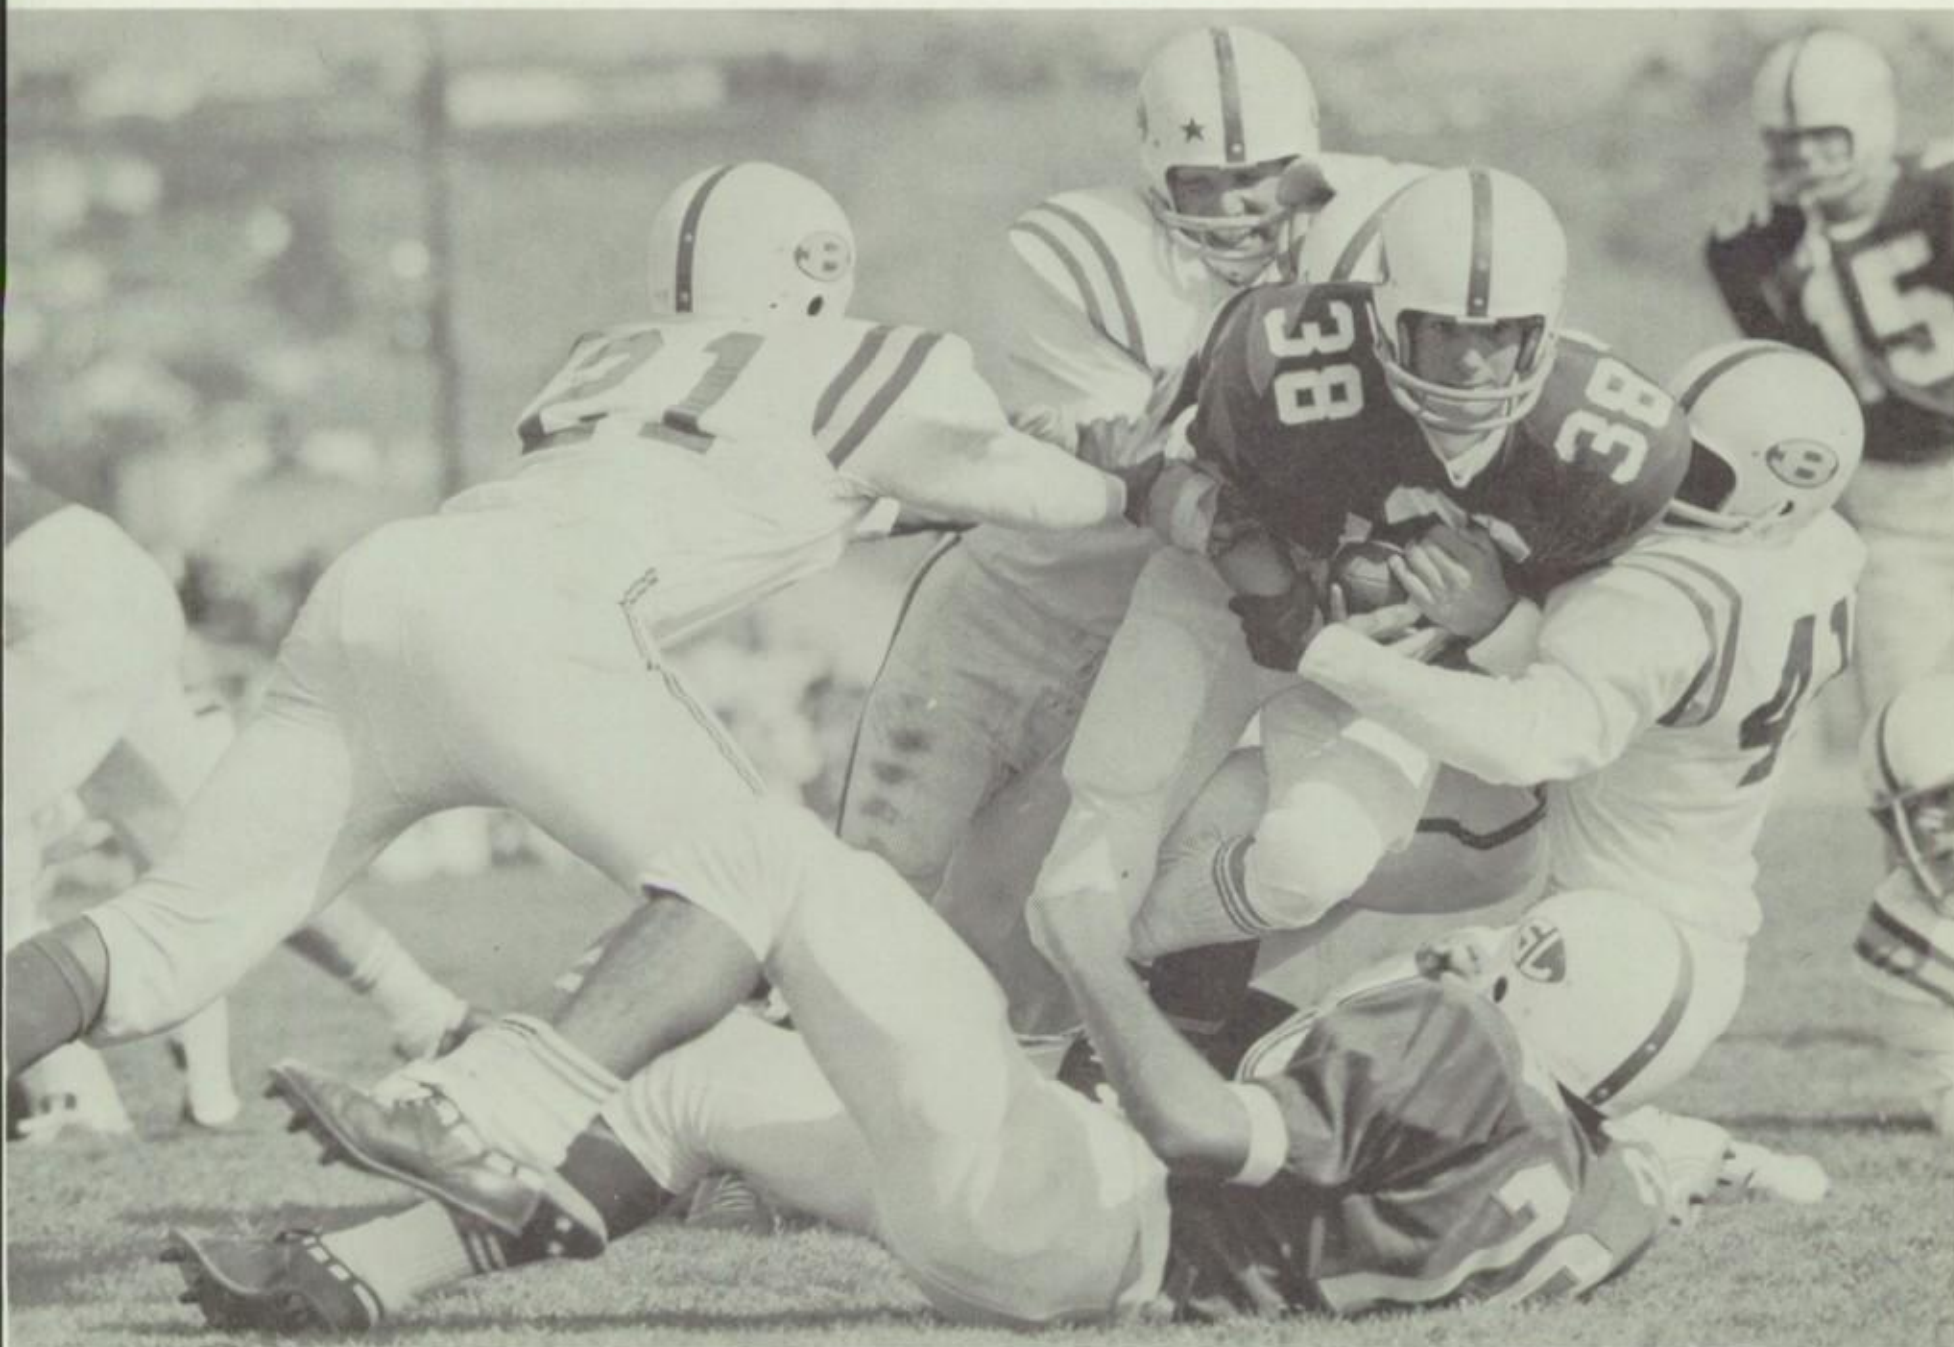

Three generations of football players back each other up. Shown here are coaches Crawley and Shorum, and Tom Barentson.

Dan Vargas thinks simulating a flamingo with one leg up will make him a smaller target for opposing tacklers.

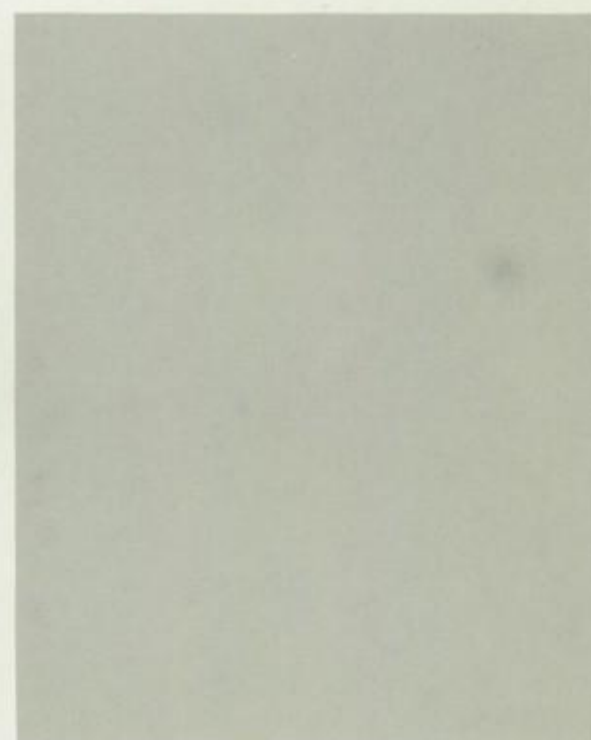

Mike Chaney kicks off to start the game, as Gary Millhouse (38) and Larry Arguello (29) get set to run like crazy downfield.

It takes four Berkeley boys to stop a man like Gary Millhouse. Ken Costa was relieved when Gary was kept from running over him, while Lynn Hill looked on.

Gary Millhouse again takes the ball down field, but this time Steve Berry isn't going to let those three boys get near him.

Cross Country Places Third

The varsity cross country team took third place in the League meet, behind El Cerrito, and Kennedy, and second place in dual meets. El Cerrito was the only team to outrun the Pirates, and the season record stood at 7 wins and 1 loss. Making All League standings were Steve Johnson, third; Rich Postma, seventh; and Gary Zimmerman, tenth. The Jayvee team won the A.C.A.L. Championship at the De-Anza meet. Don Filteau and Jerry DeVore came in first and second in the two mile race clinching the victory. The following varsity runners won their letters; Steve Johnson, Gary Zimmerman, Lyman Lawe, Joe Yother, Emil Abate, Herb Newell, foreign exchange student Klaus Reuther, and Rich Postma. Postma also won the Most Valuable Player award. Other team members include Ken Saylor, Lauren Brown, Rich Coats, Don Pepper, and Ed Brown. The combined victories of the varsity and junior varsity teams are due to coaching talents of Ed Collins. Cross country competition consists of grueling two mile runs.

G.A.B. Dance Reflects San Francisco Nights

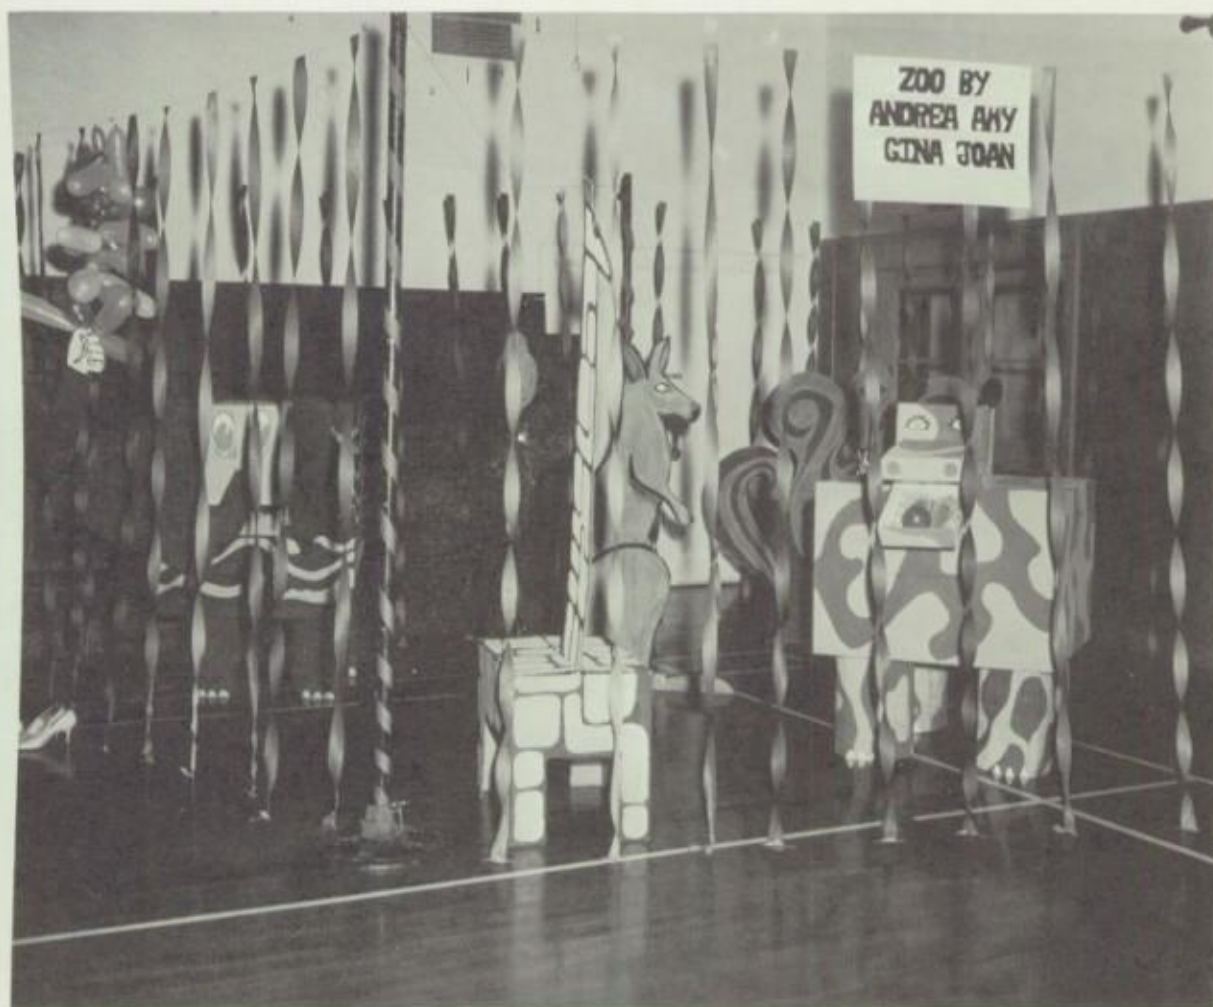

Tom Barentson goes from gridiron to "boogaloo."

The annual Girl Ask Boy dance held on November 10th in the school gym from 8:30 to 11:30 p.m., was sponsored by the student body. "San Francisco Nights" was the theme for this semi-formal dance. The picture corner featured a Japanese Tea Garden scene and was the work of Bonnie Marion and Sharon O'Neil. Andrea Clisbee and Joan Kennedy created the San Francisco Zoo, while Op-Art was the idea behind Pam Matherly and Dene Dames Theater Corner. The Cable Car Cafe, decorated by Joyce Gallatin and Chris Gember and the Haight-Ashbury Coke Room completed the decorations, and these varying moods of San Francisco made this year's G.A.B. dance a complete success.

The Haight-Ashbury refreshment room served as a place to gab.

Couples enjoyed the San Francisco Zoo.

Modern Music Masters Treated Us to "A Walk in Wonderland"

The sounds of the "Bristol Boxkite" rang throughout the gym.

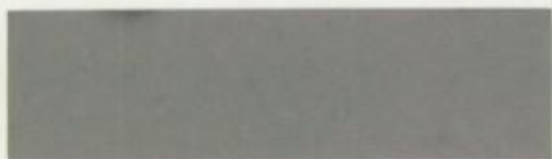

Jim Quadros, surrounded by Pat Bernhard, Gary Millhouse, Patty Bean, Rod Benavides, and Sue Wyllie swipes a bulb.

"Walk in a Wonderland" was the theme of the annual Christmas Ball. Sponsored by Tri-M, it was held in the school gym from 8:30 to 11:30 p.m. The "Bristol Boxkite," a group from Hayward, furnished the evening's music. A special highlight was the soon to be released Screen Gems song "If You Love Me," which was number two in Australia when played for the Ball. Clark Stevens, Tri-M president, began planning the dance soon after school started in September and the entire club participated in handling the refreshments and decorations. Sharon O'Neil was appointed chairman of the refreshments and Cindy Bauman was head of the decoration committee. Sally Fardi and Jane Urish were assigned individual corners, and Diana Delgado was responsible for the trees decorating the stage. The colored pictures were taken at the rear of the gym at the cost of \$4.50 per couple. The hit of the evening, however, was the mistletoed doorway.

Dale Bretschneider, Pat Mitchell, Dan Vargas and Karen Marshall enjoy themselves.

Rich Reichel and Carol Mazzei enjoy the decorations.

The Sound of Christmas Rings Throughout the Winter Concert

Mr. Udall conducts the orchestra in a Christmas song.

Miss Duke leads the Notables in a ballad.

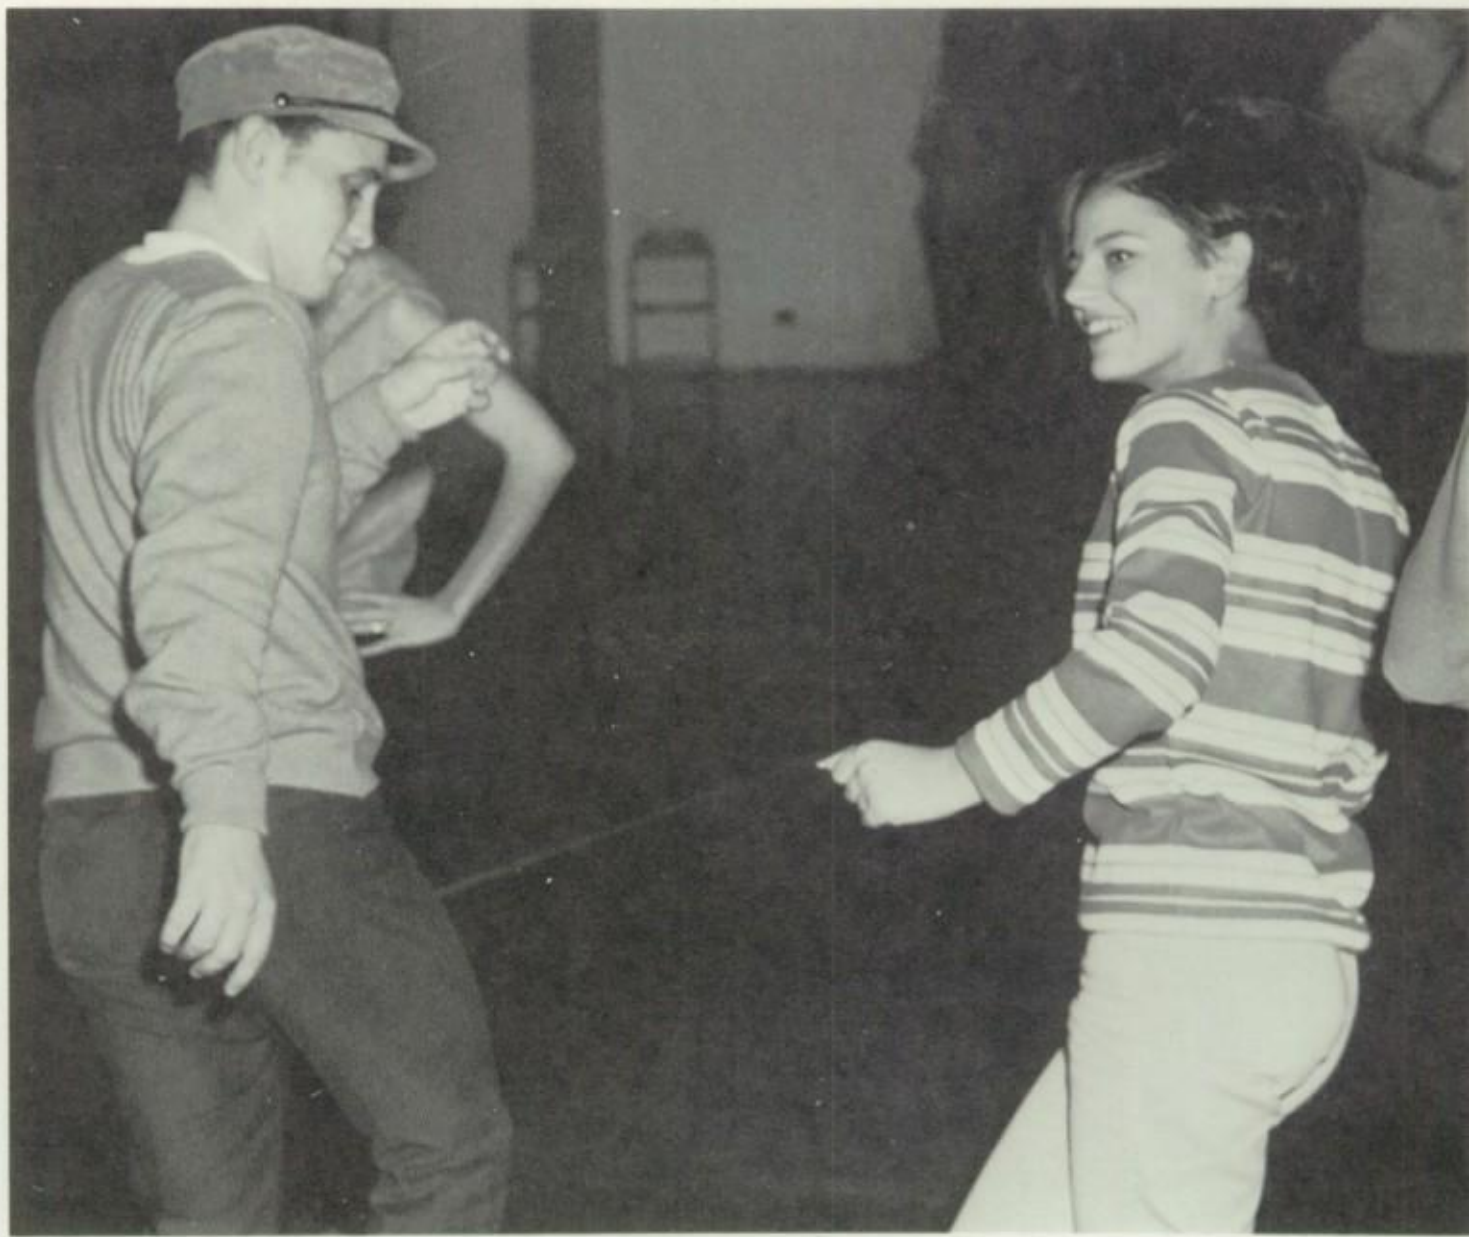

Nicki Nidiffer and Elisa London were the flute soloists.

The annual Winter Concert, under the direction of Miss Duke and Mr. Udall, was held in the school gym on Dec. 13, starting at 8:30 p.m. The program opened with "Mariachi" played by the Concert Band, with Mr. Udall directing. The "Concerto for Two Flutes" featured Elisa London and Nicki Nidiffer. "Transitions," an original composition by junior Michael Harrison closed the first half of the program. "Gloria" by Antonio Vivaldi, and performed by the A Capella choir and the orchestra ended the program. Soloists, Evalyn Camacho, Karen Wehrman, Sue Fernandez, Marlene Baldassini, and Jane Urish highlighted the number. Accompanist for the evening was Lynette Becker. Mr. Johnson acted as the Master of Ceremonies. The Concert Band performed five numbers, followed by seven songs by the Notables. The Chamber Ensemble presented both the "Concerto for Two Flutes" and "Transitions." A number of traditional carols gave the evening a touch of Christmas.

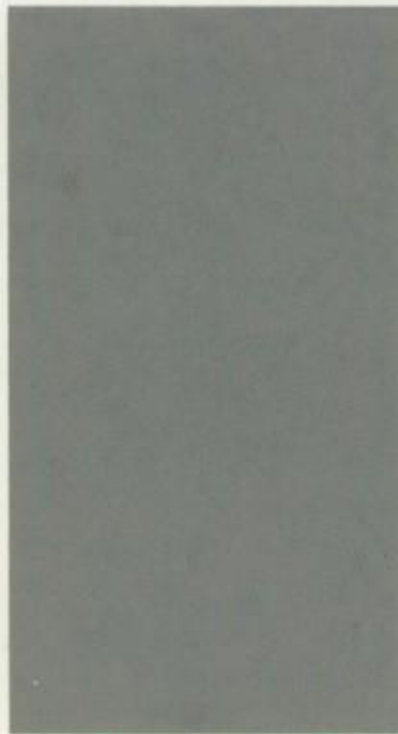

The audience listens intently to the orchestra.

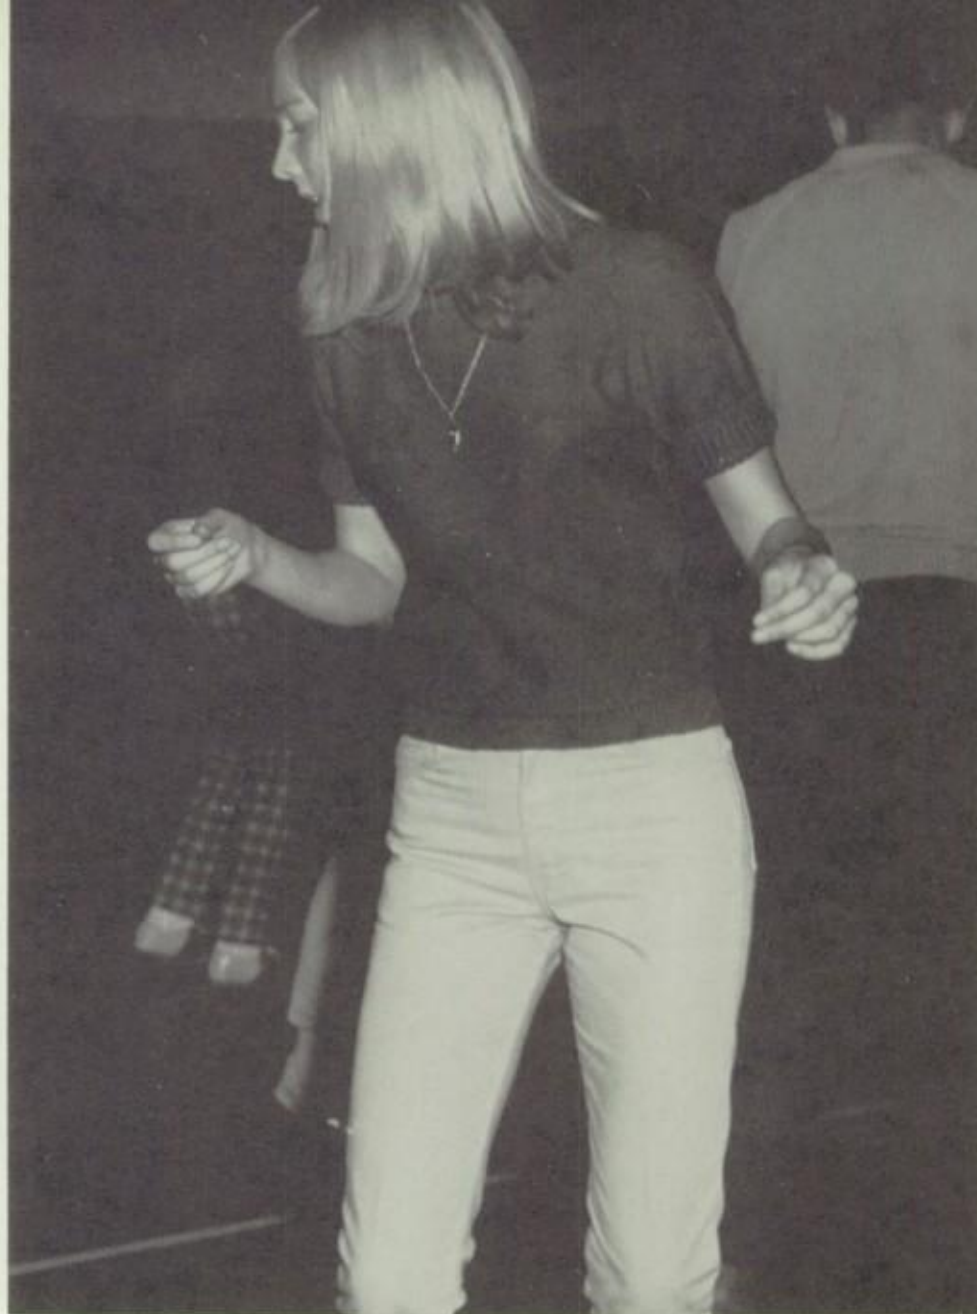

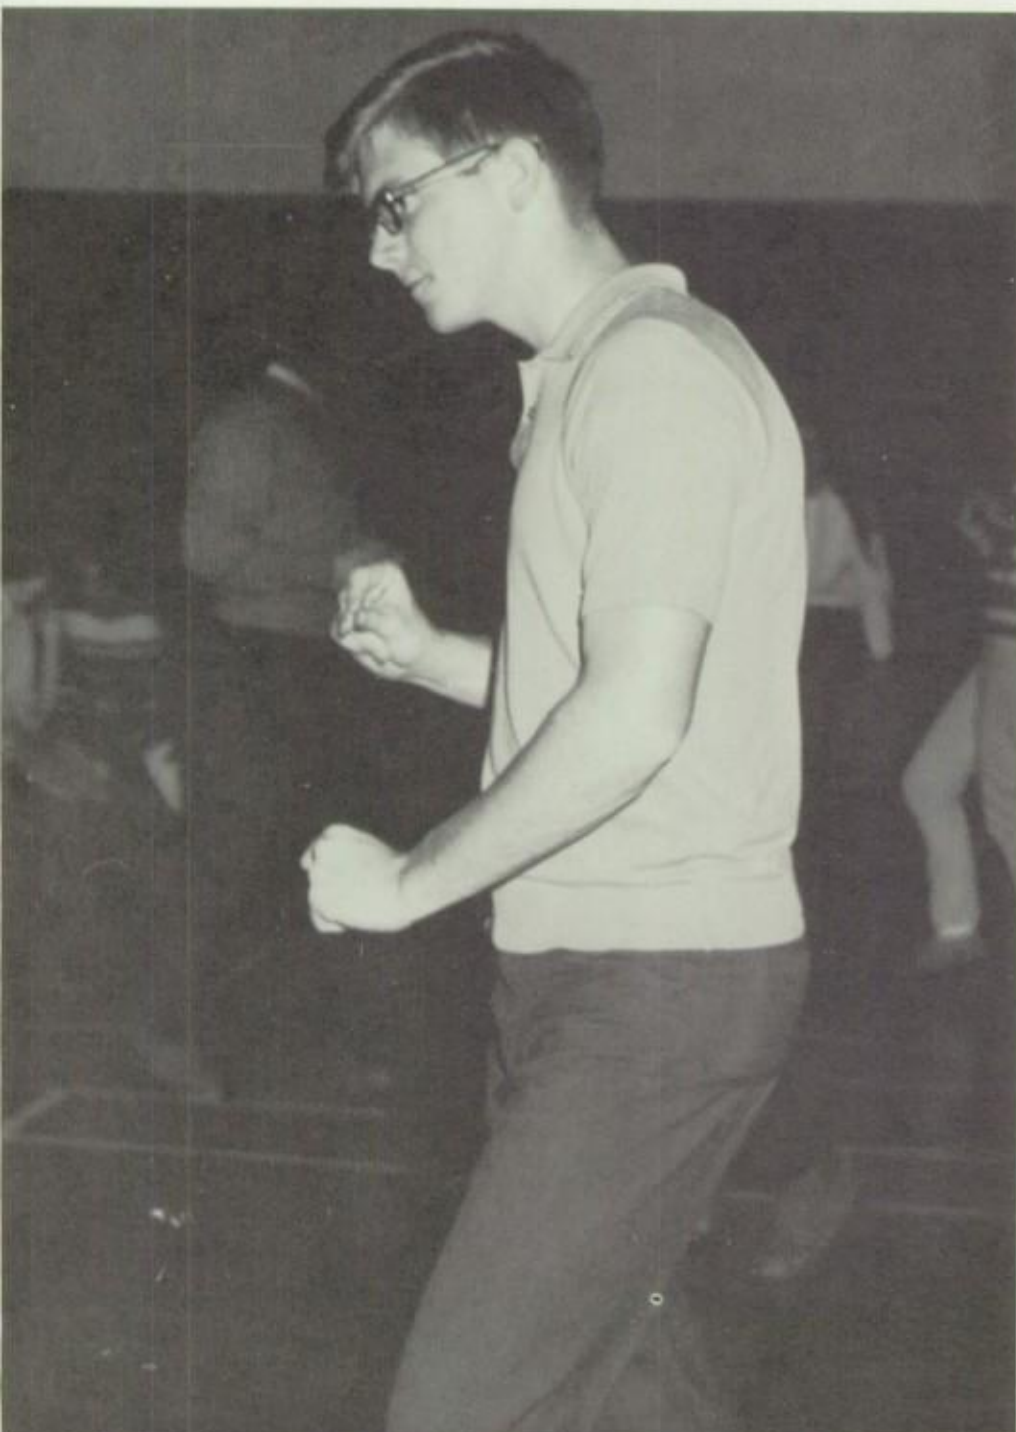

Tina Radonich and Larry Arguello let the music play on.

Janet Perry dances to the "Soul Scene '68."

Dick Geise looks for his dancing partner.

Kim Berg shows a little soul.

The first Senior Fun Night was held on Friday, February 2, in the school gym from 8:00 to 11:00 p.m. Volleyball, with the girls challenging the boys, started the evening's activities and was followed by a series of relays. The relays were directed by Bob Bueno and Mel Jarrett. Passing a potato from between your knees to the knees of the person behind you opened the competitive races. For the next stunt, everyone surrendered his shoes to a central pile, and then, on signal from the starter, a mad rush was on to be the first one to find both shoes. The three-legged race was won by Randy Brumbaugh and Joyce Catterall. The highlight of the evening was wrapping Tom Barentson, Rita Keele, Klaus Ruther, Mike Talbot, and Paul Wulf in toilet paper. After the T.P. wrap-up, the Soul Scene '68 appeared to furnish live music for those caring to dance, while ping-pong and chess were available to those enjoying the quieter sports.

Pirates Beat the "Old Men"

This year's annual Alumni Game, held in the school gym on February 3, found the varsity victorious by the score 36-35. The first quarter was a defensive battle as the 5-2 score at its conclusion plainly showed. Alumnus Jack Tucker was high pointer with eight points, followed by Pirate Tom Barentson with seven. The desperately fought fourth quarter found the varsity edged five points, but the Pirates rallied during the last minutes of the game for the one point victory.

This year's annual Sophomore Hop was held on Friday, February 16, in the school gym, from 9:00 to 11:00 p.m. Sponsored by Mr. Everingham, the dance was a stag sock hop, and featured the sounds of the "City Council." Chairmen of the evening were Joan Kennedy and Andrea Clisbee on the decorations, and Lisa Stevens and Diane Deadrich for the music. Decorations were very limited since the dance immediately followed the DeAnza basketball game. The cost of the dance was 50c with a student body card, and 75c without.

The school newspaper, THE CARGO, meets sixth period in room 122 under Mr. Johnson. Jack Stevens and Janis Miyamura share the duties of managing editor and editor-in-chief. THE CARGO is published every two weeks and is available free to every student holding a student body card. The business manager was Norma Coats, advertising manager was Marla Eckstein, and Melodi Duke was head of circulation and exchange. Individual page editors were outstanding graduates of previous journalism classes, and the reporting was taken care of by students enrolled in the journalism classes taught by Mr. Johnson. THE CARGO also supplies articles for the local papers through the news bureau, handled by Jack Stevens the managing editor. The staff photographers were Mark Martin and Joe DeMello, and the cartoonist was Jon Campbell.

Page Editors are (Top, Left to Right): Chris Stokes, Carolyn Gradwohl, Janice Jensen, Jon Campbell, Margie Clarfield. (Bottom Row): Greg Barrette, Lance Witte and Ken Blair.

Cargo's Editor-in-Chief Janis Miyamura gives last minute instructions to the printer. Managing Editor Jack Stevens heads the news bureau.

Compass

COMPASS is San Leandro High's literary magazine. Produced annually during the late spring, it contains original short stories, poems, haiku, and essays written by the students. Mr. Reynolds is the sponsor. Most of the people you see in the picture above are contributors. It is the task of Barbara Bruser, the editor, and Dan Brown, the president, to make the selections which are to appear in print, to correct and edit copy, and to get the magazine to the printer on time. Frequently, the COMPASS includes student art work, which is designed to supplement the written contributions.

Barbara Bruser, Editor; Dan Brown, President.

Obviously it would be madness to try to caption these pictures. The staff's prose would never match the originality of the Thespians' antics. Suffice it to say that the members of Thespians are Linda Arrington, Janis Miyamura, Barbara Bruser, Rich Skoonberg, Terry Hall, Judy San Marco, Mike Talbot, Pam Matherly, Jean Corpis, Marylou Josephs, Larry Salvador, Jane Patton, and Paul Wulf. The irrepressible Mr. Frobe is the sponsor.

Thespians

Thespians is a service group which promotes dramatics in the high school and assists with the school productions. They meet twice a month before school with their sponsor Mr. Frobe. Attending San Francisco State's musical, selling tickets for school productions, and selling soft drinks at these productions during intermissions are just a few of their diverse activities. The requirement for joining is to accumulate ten points. Points are obtained by working on stage crew, selling tickets, or by taking a part in the shows. The group has initiations twice a year, where incoming members are at the mercy of established members of the group.

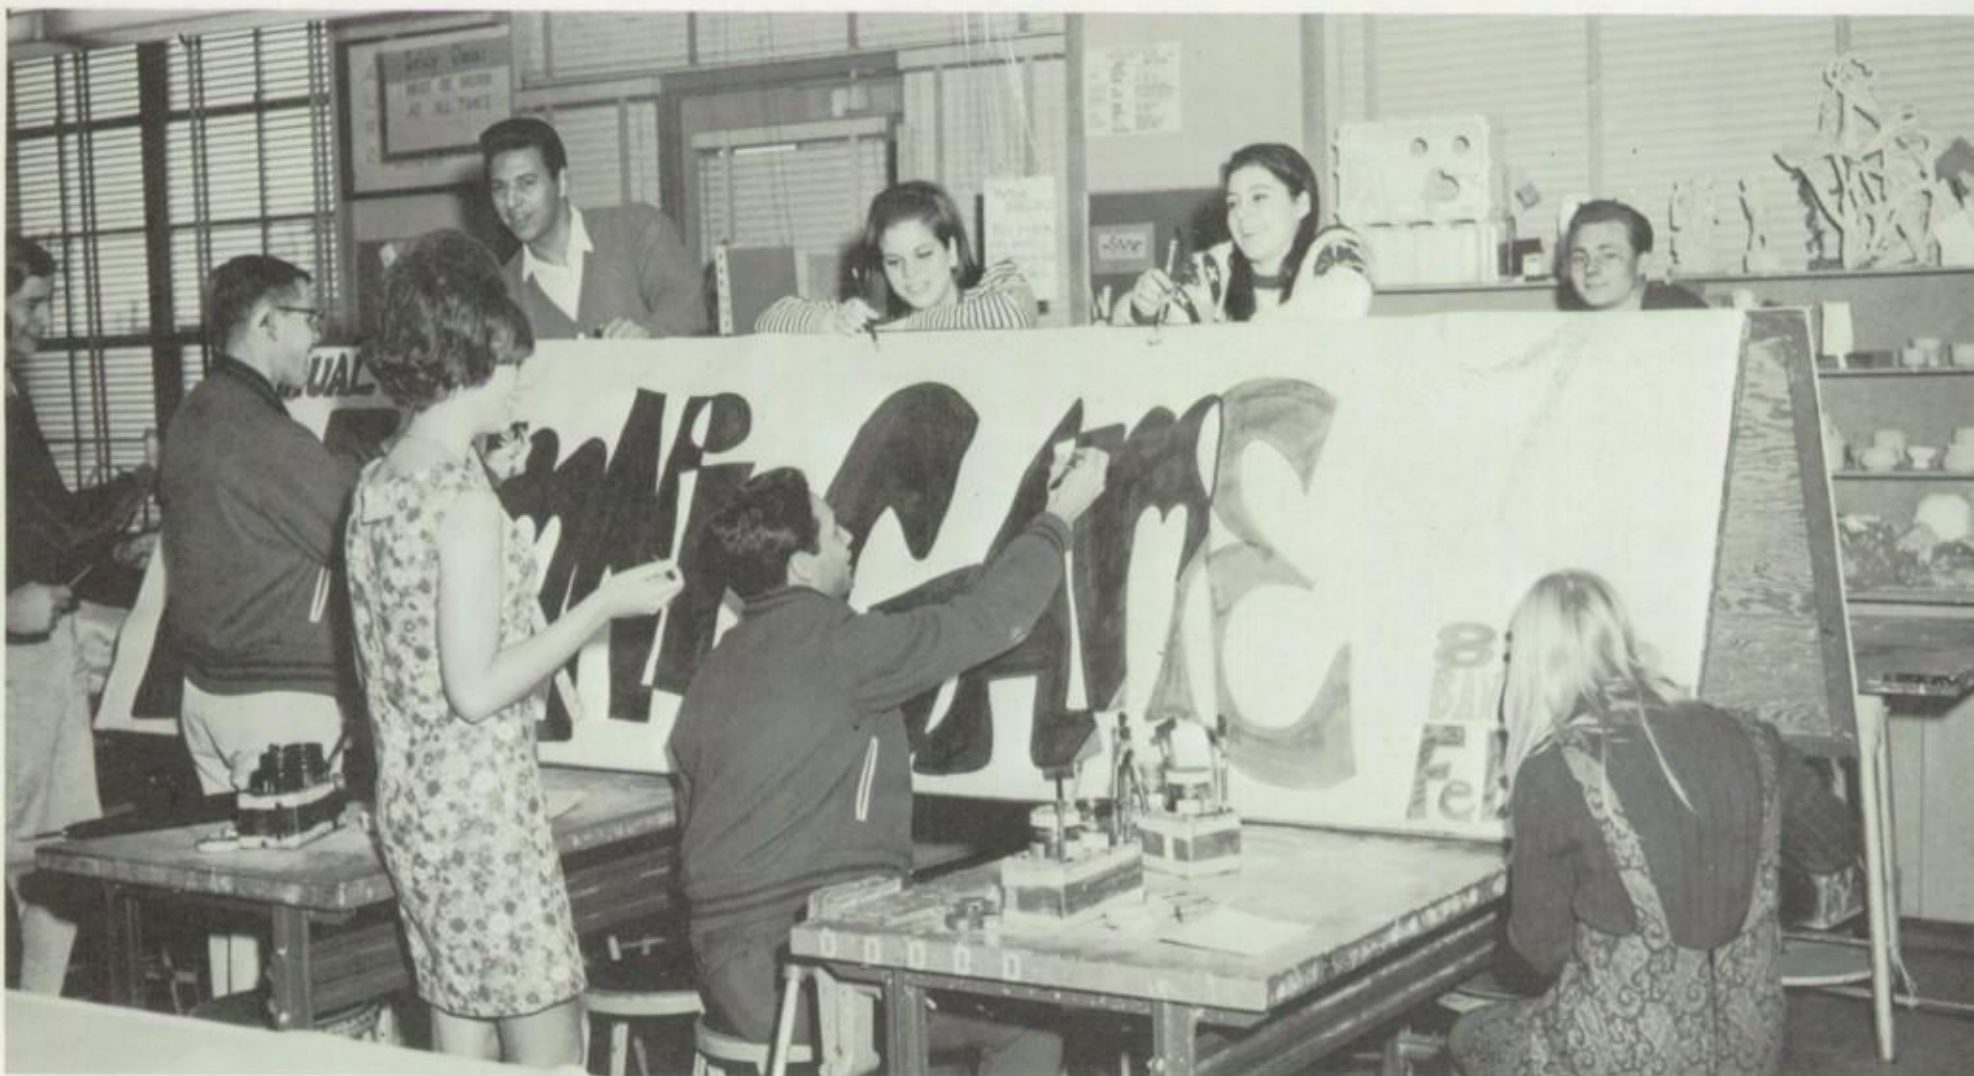

Art Service

Kris Golfes, Chris Serafini, and Steve Korum get plates ready for printing.

Alan Avilla and Terry Castro prepare a taxidermy exhibit.

Jim Lewis, Larry Roberts, Shirley Strand, Louie Padilla, Dan Vargas, Marietta Oliveira, Merry Gotowka, Steve Korum, and Pat Shrader work on a poster for the Alumni Game.

ART SERVICE is taught first period in room 115 by Mr. Curran. The Service, in general, is responsible for keeping the school bulletin boards both up to date and attractive. It is also in charge of designing, creating, and displaying posters relating to school functions, both curricular and non-curricular. The individual students are responsible for special projects and in the process learn the art of lettering posters, the use of silk screening, and help build school spirit by keeping the students informed about what is up.

QUILL AND SCROLL is an international Journalism honor society which recognizes outstanding achievements of students working in the field of publications. To qualify for the distinction of membership, a student must be a senior and have had either a minimum of one hundred column inches printed in either the Cargo or a city newspaper or both, or have been a section editor on the yearbook staff. A formal induction ceremony is the single function of the group, and Mr. Johnson is the sponsor.

Quill and Scroll

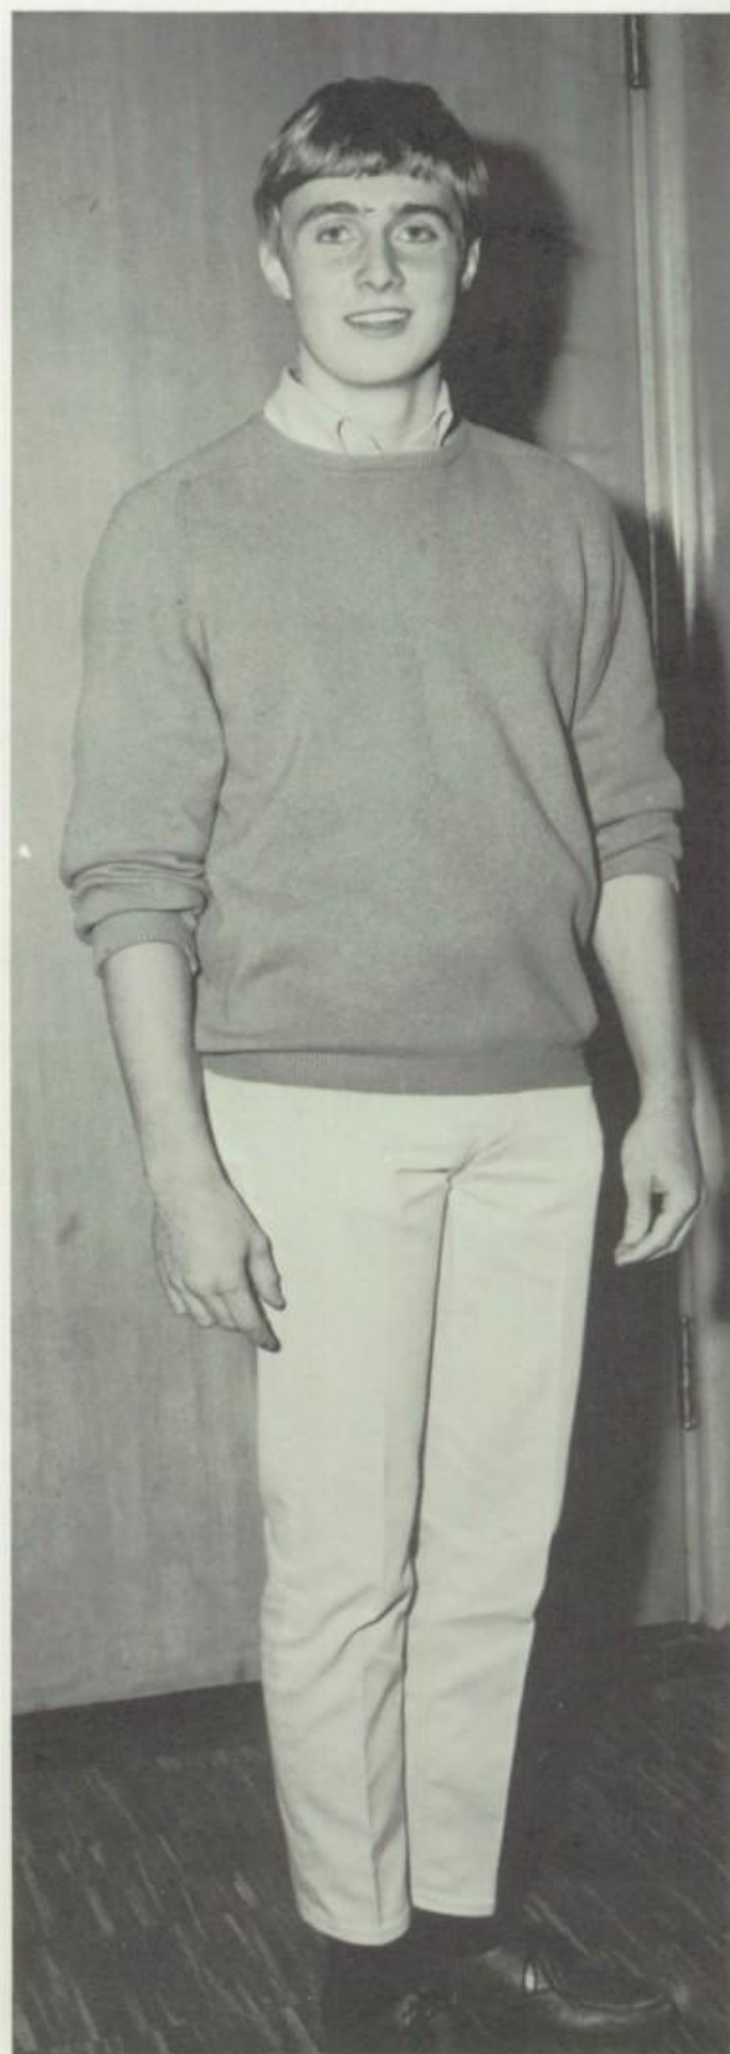

Quill and Scroll members are (Top, Left to Right) Wayne Felton and Paul Wulf. (Middle) Peggy Stanley, Kevin Byrne, and Jack Stevens. (Bottom) Marla Eckstein, Janis Miyamura, Margie Clarfield, and Norma Coats.

Sixteen year old Klaus Ruther, one of this year's foreign exchange students, was from Oldenburg, BroBenkneten, Germany. When he completes his schooling, Klaus hopes to become an electronics enegineer. While attending San Leandro High, Klaus lived with sophomore Dave Iwig and his family.

Representing Malmo, Sweden, at San Leandro High this year was seventeen year old Henrik Eliasson. Plans for the future include further schooling at a university and then possibly a career in law, like his father. Henrik's hobbies include soccer, traveling and meeting people, and he made his American home with the family of junior John Skoglund.

Model UN chairmen are Janis Miyamura and Paul Wulf.

Model U.N. Members Represent Nepal

The Model UN is sponsored by Mr. Hillis and was organized to promote interest in and understanding of the United Nations. The meetings are held twice a month, usually after school, in room 102. The only requirements for joining are an interest in the U.N. and current events. The main activity is participation in the Model U.N., a high school conference on the U.N. which lasts three days, and is operated as closely as possible to an actual U.N. meeting. It is held annually on the Cal Berkeley campus. This year ten students, representing Nepal, attended the meeting.

Future Teachers Visit the University of California at Santa Cruz

Future Teacher Officers are (Left to Right): Donna MacDougal, Karen Wehrman, Cathy Gordillo, Peggy Stanley, and Suzanne Robinson.

Mrs. Brownell is the sponsor of the Future Teachers' Club. The club was organized to acquaint students interested in becoming teachers with as much information about the profession and its training requirements as possible. Field trips are made to familiarize the members with the near-by schools featuring teachers training. The meetings are held once or twice a month, usually after school, and guest speakers are common. Membership is limited to students interested in teaching and carrying a "C" or better average with no "U's" in citizenship. Candy apple and cake sales helped the members finance a trip to U.C. at Santa Cruz.

Club members are (Back Row, Left to Right): Karen Wehrman, Mrs. Brownell, Patty Proctor, and Judy San Marco. (Front Row): Donna MacDougal, Linda Walter, Cathy Gordillo, Kim Berg, Sue Robinson, and Peggy Stanley.

Honor Society and C.S.F.

Honor Society and the California Scholarship Federation, commonly known as C.S.F., were established at the high school to foster a high standard of scholarship and academic achievement on the part of the student body. Mrs. Dickie and Mrs. Brown sponsor the group and meetings are held before school once a month. There is also an organizational meeting held during the school day each semester. Activities included a car wash, and assisting at a Christmas party for the School for the Mentally Retarded. The fall excursion was a trip to San Francisco to attend a showing of "Gone With the Wind" and a visit to the San Francisco Art Museum. The spring excursion was a picnic. The proceeds from the money making activities not spent on the excursions go to the School for the Mentally Retarded. Requirements for joining are specified in the C.S.F. Handbook which can be obtained in the Deans' Office. Sophomores and transfer students are not eligible until one semester at San Leandro has been completed.

Library Club

An interest in either learning or playing chess and the time to play are the only requirements for joining the CHESS CLUB. The purposes of the club are to instruct members on how to play chess, to provide and promote competition, and select a team for league play. Activities include tournaments, money-raising projects, and league play. Outstanding team members may win their block letters. Meetings are held once a week, after school, in room 103, although the room is open before school for match games. The club is sponsored by Mr. Ausmus.

Miss Guillaume and Mr. McNerney sponsor the LIBRARY CLUB. The purpose of the club is to promote interest in the purpose and function of the school library and related projects. Activities include excursions and visits to book stores, public libraries, U.C. Press, other school libraries, a Paperback Fair, and each member acts as librarian of the day some time during the year. The only requirement for joining the club is an interest in libraries. The meetings are held in the school library at the convenience of the members, and visitors are always welcomed.

Girls' Block S is also sponsored by Miss Halsteen and meets twice a month after school. Members act as ushers for school events and take part in many field trips. Requirements for joining are set by the G.A.A. Board.

Art Club

Stage craft is taught by Mr. Romero, and is held at sixth period in Shop-5. There are four major areas of study, set designing, sound technicians, lighting technicians, and stage crews. The students interested in set design create the sets used for all the school productions. The sound technicians learn to use the audio equipment needed for productions and then take over the responsibility for the use of the equipment during performances. The lighting technicians handle all requests for special illuminative effects, plus all use of the spot lights and stage lights for the general assemblies. The stage crew constructs the sets designed by the set designers, then determine their placement on stage. They are also responsible for the maintenance of all sets used in the school productions. Students in this program find that the class is held whenever a need arises, be it a week end or a school night.

Athens in '69 is the goal of the two-year-old Latin Club, sponsored by Mrs. Grove. The Latin Club meets every other Thursday night at 7:30 p.m. in Room 103. The club's main purpose is to familiarize the members with the Roman and Greek cultures. An active club, the activities of the year include, a pancake breakfast, two cotton candy sales, a Flea Market, car wash, and a Christmas tree pick up. Social activities include a Christmas party where the sophomores were slaves, and caroling at the Lajuna Honda Home. On Halloween night four new members were initiated to the club by wearing togas and going trick-or-treating and asking for nuts in Latin.

The club hopes to spend six weeks during the summer of '69 in Greece and Italy, traveling under the American Institute of Foreign Study. The tour will begin at Athens where the group will remain for half of the trip, visiting Athens and the Greek Islands then on to Rome where the rest of the tour will consist of visiting major Italian cities. The club has eighteen active members.

Marching Band Wins First Place

in the Alameda County Band Review

Marching Band

The San Leandro High Marching Band, under Drum Major Clark Stevens, had thirty members and was supported by seven majorettes and a fourteen-member color guard. Dayna Digirno and Nancy DeCicco were the co-captains of the majorettes, and the color guard was under Diane Ragusano, who was assisted by Vicki Geshwind. The Marching Band provided the half-time entertainment at the home football games and a number of the away games. The band also represented the school at parades and various community events. The band won three first place trophies, with the color guard adding another first and a second. The majorettes also won a second place trophy. After the football season ended, the Marching Band became the Concert Band with James Carvalho as its president. The other officers were Brian Flint, vice president; Louise Hatmaker, secretary; Diane Ragusano, quartermaster, and Gary Winter and Greg D'Augelli, librarians. Requirements for joining include musical ability and the willingness to attend practices and performances of the group. Mr. Udall is the director, and he is assisted by Mr. Angell, a student teacher from Cal-State.

The SAN LEANDRO HIGH SCHOOL STAGE BAND was composed of twenty-one students who rehearsed each morning from 7:45 to 8:45 and received full credit for the course. President of the Stage Band was James Carvalho and Mr. Udall directed the group. On Sunday, January 21, from 2 to 3 in the afternoon, the Band presented a jazz concert. Featured soloists included Greg D'Augelli, alto sax; Mel Jarrett, tenor sax; Bill Lewis, drums; Don Pepper, piano; Bob Roden, trombone; and Gary Winter, trumpet. Money raised with this concert helped to finance the group's trip to a competitive festival in Reno, Nevada. It was held on the University campus over the weekend of March 23. The festival is attended by bands from California, Nevada, and Utah, and this was the fifth time that San Leandro High had participated in the event.

A Time To Reflect

Being a part of a working unit is a rewarding experience, even more so when your efforts are successful and enjoyable to others as well as yourself. If any part of this book has brought back a pleasant memory or even a smile our purpose on the yearbook staff has been accomplished. Although it's a hard job to complete a book, full of complexities, the work is behind us now and the most outstanding memories are of the wonderful times we had working on a book not only for us, but for you, the purchaser and owner. We, the staff, thank you for your support and I personally thank you for all the wonderful memories. Of course, there are others that are essential to the production of a yearbook and to them, the people behind the scenes:

—My hard working, imaginative staff that sat so patiently when I yelled, spent many long hours of their own time sharing experiences and memories as well as hard work.

—Mrs. Grove, our winter advisor, who with all her energy, knowledge and leadership was our backbone and driving force.

—Mrs. Brown, our spring advisor with the same driving force of her predecessor and a wonderful ability of her own.

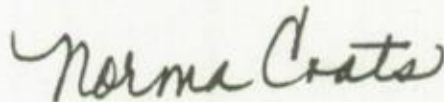

—Mr. Don Freeman and Mr. Dodds, our representatives from Pischel, for all their spare moments and understanding while listening and always solving our problems.

—Mr. David Vickery of Kee Coleman Studies, Mr. Rip Serby, Mr. Herter and all the many other people from Kee Coleman who made many of our photographs possible and Paul Wulf, our student photographer for his many long hours in the darkroom.

—And our buyers and advertisers to whom we are financially indebted, it was you who made it possible.

To all of you the warmest thanks, it was you who gave me this chance, and many wonderful memories I won't soon forget. I hope it will bring you happiness.
